

A Little Life Fighting a Big Battle...

4-year-old **Aarav Dubey** is too young to understand the hardships of life, yet he is bravely fighting for every heartbeat. Diagnosed with a serious heart condition (Heart Block), Aarav's tiny body is struggling every single day.

His father, **Sandeep Dubey**, is a daily wage laborer who works tirelessly just to provide basic necessities for his family. Despite his endless efforts, arranging ₹2,20,000 for Aarav's urgent treatment is far beyond his reach. The pain of a helpless father watching his child suffer is something no parent should ever experience.

Doctors have advised immediate treatment (DSO + PPE), as any delay could put Aarav's life at even greater risk. For this family, every passing moment is filled with fear, uncertainty, and fading hope.

Today, Aarav needs your kindness. Your small contribution can give him a second chance at life, bring back his innocent smile, and give strength to a father who is on the verge of losing everything.

**Please come forward and help save Aarav's life.
Your support can make a miracle happen.**
